Your 2009 stars

SAGITTARIUS 23 NOV – 21 DEC

SUCCESS AND HAPPINESS

You are expected to speculate to accumulate this year, so believe in your talents and the rest will follow. If you play your cards wisely and focus at work, you'll taste success by May. Both February and

September pose personal dilemmas, and December's gift or prize can't be taken lightly.

LUCK IN LOVE

Your generosity is irresistible. Don't sell yourself short whether you are playing the field or working at a long-term relationship – you will be cherished for this. Romantic riddles are solved in March and September, while spring's events are groundbreaking for love – or lust – involving a heart-stopping instant attraction. Prepare for a roller-coaster ride.

TOP TIP

Indulge your fantasies. A little (or a lot) of what you fancy keeps you glowing!

YOUR NEW YEAR RESOLUTION

A calculated risk is bound to prosper.

AQUARIUS 21 JAN – 19 FEB

SUCCESS AND HAPPINESS

High energy levels from January turn you into a whirlwind. You are on a mission and seem to receive divine guidance... As a result, a red-hot scheme strikes like a bolt from the blue in May. The going

has been tough financially, but by November, the tables will turn.

LUCK IN LOVE

Your dynamic flair hypnotises someone, but being too enthusiastic – and even bossy – will push some away. May and July are romantic hot spots for you, with a relationship getting serious this summer. In late 2009, if you're still looking, you can pick and choose, but the sexiest suitor may think you're out of his league, so it's your job to reassure him.

TOP TIP

Cook up some brave new schemes, as they'll have steamier advantages than you expect.

YOUR NEW YEAR RESOLUTION

Think positively and you'll come up trumps.

ARIES 21 MAR – 20 APR

SUCCESS AND HAPPINESS

Your most prized aspirations are the ones to go for, whether they're work ambitions or personal crusades. The world is your oyster if you don't overstretch yourself, and by May, you'll conquer

all if you combine confidence with hard graft. In December, a powerful opportunity arrives and soon it becomes clear that friends are priceless.

LUCK IN LOVE

Be admired for your originality – you deserve no less. In March and September, romantic revelations are intriguing – mysterious crushes or secret affairs come to light. May is a moment of truth for love, and while events may look larger than life, they have real meaning. By autumn, a commitment issue rears its head.

TOP TIP

Aim high – you have the power to completely transform your direction.

YOUR NEW YEAR RESOLUTION

Show you mean business.

CAPRICORN 22 DEC – 20 JAN

SUCCESS AND HAPPINESS

You are allowed to bask in some incredible luck, but also be prepared to plunge deeper, as you'll improve your prospects. However, if you hurtle along too fast, you could be on a collision course. By

spring, fantasy mixed with a reality check pays off, and from November, a solid game plan will secure a victory.

LUCK IN LOVE

Your natural high casts a spell, but you'll disappoint if you overcommit yourself. During May and June, lessons in give and take will be precious. In summer and autumn, emotions run high, but as the smoke clears, you'll know what is meant to be. By December, dreams come true.

TOP TIP

Take steps towards personal growth and you'll reinvent your self-esteem.

YOUR NEW YEAR RESOLUTION

Keep sight of simple pleasures and good fortune will smile on you.

PISCES 20 FEB – 20 MAR

SUCCESS AND HAPPINESS

Friendships will act like lucky charms this year. Intimate relations are a bit puzzling at times, and in February and September, expect a clash between your idealistic nature and someone who plays

safe. This spring/summer, you'll break down a person's resistance and, by winter, groundwork you have done proves unbeatable.

LUCK IN LOVE

Some relationships may have become too serious too soon, or you have met obstacles when all seemed rosy. In reality, you have learned volumes. In May, a pal's brainwave will revitalise your sex life, and by autumn, a load is lifted from your shoulders. You will soon see if a special bond can last.

TOP TIP

Working up a sweat on the dance floor is more uplifting than you know.

YOUR NEW YEAR RESOLUTION

Reach for the stars by avoiding perfectionism.

TAURUS 21 APR – 21 MAY

SUCCESS AND HAPPINESS

Exotic tastes will revolutionise your life, so explore new avenues as they open up before you. A winter trip abroad could be the perfect move. By May, you'll be motoring along, and risks you took

earlier – both on your future and on love – pay off this summer. December offers out-of-this-world career breaks, too.

LUCK IN LOVE

You can be an intrepid explorer in love, from holiday romances to liaisons with strangers back home. If you're committed in a relationship, you'll embrace the spirit of adventure and seize your chances to spice things up. By November, a loved one will give you a little more room to manoeuvre.

TOP TIP

Open your heart to someone you trust – real intimacy makes you shine brightly.

YOUR NEW YEAR RESOLUTION

Give others their say – flexibility wins popularity.

horoscopes

GEMINI 22 MAY – 21 JUN

SUCCESS AND HAPPINESS

It's payback time for recent efforts involving love and money. A windfall is likely, but the richest treasure is someone opening their heart and revealing hidden depths. In February and June, you score

career goals by being tactical – someone will share a hot tip with you. And December's big-hearted gesture is life-changing.

LUCK IN LOVE

Understanding true emotional depths moves a relationship on in leaps and bounds. Plus, a secret admirer makes his presence felt in March. From October, romantic liaisons will reveal – once and for all – if they are the real thing and have long-term prospects. December promises mind-blowing erotic episodes.

TOP TIP

Artistic hobbies inspire you when stuck indoors. Sexy games ensure temperatures soar, too.

YOUR NEW YEAR RESOLUTION

Invest in people to make dreams come true.

LEO 24 JUL – 23 AUG

SUCCESS AND HAPPINESS

Fantastic events will arise in everyday situations, and you'll excel both at work and at play. Have courage to take a leap of faith, as you'll land on your feet, perhaps with a new association or promotion. From

October, cash restrictions lift and, in December, a sultry romance gathers momentum.

LUCK IN LOVE

One-on-one encounters will be highly charged. By May, you'll know how to attract your heart's desires, or be able to reach much happier compromises with a partner. This autumn and winter, you're rewed up for action, yet December is when a destined relationship really takes off. Love surrounds you, and a proposal has a dramatic touch.

TOP TIP

Don't cling to safe or familiar ways – you'll love the new sense of freedom.

YOUR NEW YEAR RESOLUTION

Overhaul your health and fitness regime.

LIBRA 24 SEPT – 23 OCT

SUCCESS AND HAPPINESS

Pour energy into family life for huge gains. Your loved ones will support you wholeheartedly if you embrace change. Summer's task is to establish work/home priorities, and October brings

a super-special coming of age. By December, facing family demons is liberating.

LUCK IN LOVE

Lovers are bound to surprise you and keep you on your toes, plus someone new will be a breath of fresh air. In May, a close ally has a unique take on your domestic situation that's a little provocative but clears away the cobwebs. February and September are breakthrough months for romance, and secrets will come out. By next Christmas, you'll know you are adored.

TOP TIP

Involve loved ones in your schemes and dreams to dramatically improve your chances.

YOUR NEW YEAR RESOLUTION

Avoid controlling things too tightly.

CANCER 22 JUN – 23 JUL

SUCCESS AND HAPPINESS

The sky's the limit for partnerships, whether for business or pleasure. Take a gamble on someone and you'll both expand in enterprising ways, and also recycle old assets. A cautious

move in May ensures some handsome profits later. By November, you'll be ready to get cracking on improvements at home.

LUCK IN LOVE

Relationships step up a gear and may race ahead at breakneck speed. Your love luck is great, but pace yourself and resist making rash decisions. In August/September, your impulsive streak is exciting for new or ongoing affairs, and this will be positive as long as nobody gets hurt. A partner's news in December guarantees unforgettable fireworks.

TOP TIP

Have faith in your allies.

YOUR NEW YEAR RESOLUTION

Prioritise meaningful relationships to find bliss.

VIRGO 24 AUG – 23 SEPT

SUCCESS AND HAPPINESS

Creativity is the key to romantic success and realising your extraordinary potential – it's worth rising to this year's challenges. Self-belief opens exciting new doors, and if you go that bit further in

your quest, you'll find the perfect love match, too. From November, old fears melt away, yet only hard work maximises your talents, or cash.

LUCK IN LOVE

You'll revive a flagging relationship or will grab raunchy offers as they present themselves. The danger is jumping in head-first and missing a gem of a catch. In February and September, someone's ambitious drive needs a steady hand – tough love keeps things on track. December's racy revelations, meanwhile, are mind-blowing.

TOP TIP

Flex your mental muscles – a mind-expanding book or course is a tonic for your spirits.

YOUR NEW YEAR RESOLUTION

Reveal the erotic new you.

SCORPIO 24 OCT – 22 NOV

SUCCESS AND HAPPINESS

Your mind is your fortune, and big ideas will lead to breathtaking journeys. It is also smart to call on others' know-how. By May, pooling talents and resources will prove to be a

lucky combination. Next winter, your plans make waves with powerful characters, and by December, rapid progress begins at home, too.

LUCK IN LOVE

An idyllic image of a fairytale romance has a hold on you. In February, a down-to-earth pal could burst your bubble. This spring, let someone in who genuinely cares about you and stand your ground against another's demands – you are no pushover. A soulmate comes in an unlikely form by December.

TOP TIP

Taking up new sports – or going for the burn in other ways – fans the flames of passion.

YOUR NEW YEAR RESOLUTION

Perfect the art of compromise.
